JOB/ON DUTY TIME- _____

ON DUTY TRAINMASTER- _____

I have not received adequate training pertaining to operating the CCT/STE transfer via Remote Control Operations per **49 CFR Part 240**, Specifically **§240.123** and **§240.127**. Please consider this formal request for additional training by a designated RCO Trainer in order to safely perform the duties requested of me. I am ready and willing to work, but given my lack of formal training I do not feel comfortable performing this transfer, and if instructed to do so in lieu of this request, will do so **under protest** at a pace that allows for the largest safety cushion possible per GCOR 1.1. Thank you for your consideration.
